WARPAINT
THE FOOL (DELUXE ED)
ROUGH TRADE / ALTERNATIVE

- Los Angeles all-girl four-piece Warpaint are set to Re release their debut album The Fool as a deluxe edition through Rough Trade.
- They weave intricate guitar lines, hypnotic vocals, and driving post-punk rhythms into gorgeous, sprawling songs that skirt the line between the soundscapes of psychedelia and intimacy.
- This deluxe reissue of debut album The Fool packaged together with the EP Exquisite Corpse. With the girls coming to the end of touring for the album, and talk of the writing and recording their follow-up under way, hopefully something new from the Warpaint camp will appear before the end of the year (wishful thinking?).

INTO IT. OVER IT.
PROPER
NO SLEEP RECORDS / PUNK

- Having written, recorded and played with an eclectic pedigree of artists such as Up Up Down Down Left Right Left Right B A Start, The Progress, and Stay Ahead of the Weather, IIOI's culmination of experiences with said bands have stylistically fused together for the grand effort that is Weiss' debut LP. The album's release will mark a four year commemoration of his 52 Weeks project (where from September 2007 to September 2008 he wrote and recorded one track each week for a year, making them available online before being approached by No Sleep Records who released them as a 2xCD in June of 2009.
- The lyrical concepts of "Proper" and it's all around aura stems from autobiographical and literal exmplifications which have taken place over the past year of Weiss' life, most of which occurring in Chicago where he now resides. The album culminates in a heady yet straightforward melodic stew resembling Sunny Day Real Estate, Death Cab For Cutie and Dismemberment Plan to name a few, along with impassioned songwriting executed with the potency and ardor of Chuck Regan and Colin Meloy .
- "Proper" was recorded at Blacklodge Studios in Eudora, KS and co-produced by Ed Rose. The album features contributions from Nick Wakim of Stay Ahead of the Weather/CSTVT on drums and Nathan Ellis of The Casket Lottery.

MAN OVERBOARD
MAN OVERBOARD
RISE RECORDS / PUNK

- Every now and then a band comes along and speaks to the hearts of kids everywhere, as the true voice of their generation. Man Overboard is that band. In an age when overnight internet sessions are an everyday occurrence, it's hard to find a band that's grown organically, the old fashioned way, with word of mouth and non-stop touring while winning kids over one show at a time.
- Man Overboard has been busy touring the world non-stop for the past 3 years, having shared the stage with the likes of Senses Fail, Polar Bear Club, Set Your Goals, and more. The bands buzz reached New Found Glory's guitar player Steve Klein who fell in love with their infectious pop-punk sound and catchy choruses. He was so impressed with the band that he offered to produce the bands self-titled Rise Records debut. Man Overboard is humbled by their success, but also know that they still have a long road ahead of them. In the grand scheme of things, it's only the beginning. Man Overboard will be touring this fall with New Found Glory, Set Your Goals, and The Wonder Years. They'll continue to play every show like it is their last and treat every fan like their first.
- RIYL : POP PUNK! NEW FOUND GLORY, THE WONDER YEARS, SET YOUR GOALS

Zane Lowe, B Dolan and Aupheus, for a solo record that represents a collision of Punk, Rock and Hip Hop influences.
- Now best known as one half of unlikely chart bothering duo dan le sac Vs Scroobius Pip, it was the need to get 'a proper job' and pay for his homespun solo debut *No Commercial Breaks* - now an eBay collectors item - that brought the two together.
- 4 years on from that first unexpected radio play, with a collected cast of eyebrow-raising collaborators Scroobius Pip's alternative pop persona re-unites with that jilted teenage Punk. Scroobius Pip's *Distraction Pieces* is released September 30 on Speech Development via Shock.

OLD MAN MARKLEY
PARTY SHACK
FAT WRECK / PUNK

- A new single on Fat Wreck Chords from US punk/bluegrass combo (think *Flogging Molly* but with bluegrass rather than Celtic influence).
- The title track is quintessential Old Man Markley in both name and content. Lightning fast banjo, violin, and guitars play off sweet harmonies about drunken revelry, perfectly summing up an OMM live performance. The b-side is an interpretation of the One Man Army classic 'The Holidays', done in a manner which only Old Man Markley are capable.
- Touring presently with NOFX and Anti-Flag.
