**STOCK READY TO SHIP BY 19TH DEC. DON'T MISS OUT!**

A gripping non-fiction series, **Air Crash Investigations** (known overseas as MAYDAY) investigates recent high-profile air disasters to uncover how and why they happened. Air Crash Investigations depicts the chaotic fear among the passengers, the struggles in the cockpits, on the bridges, or in the engine rooms, and the frantic attempts on the ground to avoid the impending catastrophe.

Air Crash Investigations follows survivors, family members of victims and investigators as they piece together the evidence of the causes of major accidents.

- **The *ultimate* box set for Christmas!**
- **One for the collectors - this is the first time the complete Air Crash Investigations has been available on DVD worldwide!**
- **As seen on National Geographic and Channel 7**
- **Global hit series and consistent ratings winner for Channel 7**
