## LIFE ON THE LINE

**FROM THE PRODUCERS OF DEADLIEST CATCH**

**SWORDS: LIFE ON THE LINE**, the hit Discovery channel documentary series that showcases the lives of New England's long line fishermen, returns for a second season of high risk adventure in the North Atlantic.

Discovery Channel is the world's number one nonfiction media company reaching more than 1.5 billion cumulative subscribers in over 170 countries. **SWORDS** consistently ranked #1 in the M25-54 demographic for all regular nonfiction cable series throughout its 8-week run.

"**SWORDS** is a potent mix of unbelievable footage and unforgettable characters. The show captures the grit, guts and humor it takes for these men and women to conquer the high seas and high stakes of sword fishing."
