TELLISON HOPE FADING NIGHTLY

On October 2nd, **TELLISON** will release their brand new (3rd) studio album 'Hope Fading Nightly' through Alcopop! Records alongside an intimate set of UK headline dates around the album release. It has been a long time coming, but it's full of all of the pop hits, heart aching melodies and general wondrous pop smashers you'd expect. This is **TELLISON** at their brilliant best!

Building up the campaign playing pretty much every indie festival there is this summer, and releasing singles in a string of dead formats (tapes/ signed polaroid photographs and bowling shirts) >> **TELLISON** are ready to grace the stereos of every decent indie pop kid again. With huge support on Radio 1 already, positive reviews across the board and interviews and features in key places including the likes of DIY, The Guardian, XFM and Upset... This is going to be a BIG record.

VARIOUS ARTISTS 20 YEARS OF BEING SKINT

Established in 1995 as a sub-label to our infamous Loaded Records, Skint quickly became a major player in the independent music scene, releasing a massive range of underground classics and chart hitting anthems.

To celebrate the 20th anniversary of the label we've delved into the archives and plucked out our finest moments as well as pulling in new armoury that continues the tale of big beats. CD 1 delves through some of the stand-out releases like **LO-FIDELITY ALLSTARS** during the big-beat revolution and reigns in heavy hitters from **FATBOY SLIM**, **X-PRESS 2**, **DAVE CLARKE** and many other classic Skint acts. CD 2 heads into the noughties and beyond where we highlighted our sound through artists such as **NOISIA**, **SONNY WHARTON**, **HERVÉ**, and so the list goes on. This compilation highlights the timeline of memorable events at Skint Records as we look to the future with as much enthusiasm as when the label kicked off at SKINT001.
