AMERICAN VANDAL SEASON 1

SOLVING THIS CRIME IS GOING TO TAKE SERIOUS BALLS.

THE KILLERS

THERE IS MORE THAN ONE WAY TO KILL A MAN!

A remake of The Killers (1946) which itself was inspired by the Ernest Hemingway short story, two assassins of Siegel's film (Clu Gulager, Lee Marvin) go in search of their intended victim--a teacher (John Cassavetes) at a school for the blind--and find that he not only recognizes his fate when they show up, but seems entirely resigned to it. Curiosity leads the killers to seek out the party who hired them and discover why Cassavetes's character didn't run or fight. Soon the facts tumble into place: the dead man had once been a top-drawer racer who fell for a glamorous woman (Angie Dickinson), the latter gradually pulling him into the orbit of a criminal villain (a convincingly evil Ronald Reagan).
