The FBI is after The Duke to testify - the Mob is after him for revenge - and Walsh is after him to just shut up. IT SHOULD HAPPEN TO YOU

IN 'BORN YESTERDAY' I GOT TWO MINK COATS - THIS TIME I GET EVERYTHING!

Can an aspiring model find happiness on a billboard?! That's what Gladys Glover (Judy Holiday) finds out in this delightful romantic comedy. Unable to find steady work as a model, Gladys devises an ingenious gimmick: she uses all of her savings to rent a large billboard overlooking New York City's Columbus Circle featuring her picture and name. As it turns out, that billboard is in high demand- Evan Adams III's (Peter Lawford) company wants it for himself. With interest in more than just her career, Adams strikes a deal with Gladys whereby she acquires additional billboard locations. Under the guidance of a slick promoter (Michael O'Shea), Gladys becomes a national celebrity. Then she realizes she must decide between her boyfriend (Jack Lemmon) and this exciting new life.

HOW TO SAVE A MARRIAGE AND RUIN YOUR LIFE

THE WIFE YOU SAVE... MAY BE YOUR OWN!

David Sloane (Dean Martin) is an attorney and a bachelor whose married pal Harry Hunter (Eli Wallach) is having an affair. David decides to do something about it so Harry doesn't mess up his home life.

The scheme is to make a play for Harry's mistress himself. David meets and courts Harry's attractive employee, Carol Corman (Stella Stevens), determined to break up her fling with Harry once and for all.

David's plan goes wrong because he has the wrong woman. Harry's actual mistress is Carol's next-door neighbor, Muriel Laszlo (Anne Jackson). As soon as he learns (mistakenly) that she is seeing another man, Harry decides to give his marriage to Mary one more try.

Carol and Muriel come to realize what happened. They decide to team up, giving David and Harry a taste of their own medicine.
