THE STOOGES

ACTORS: Dean Martin, Jerry Lewis

DIRECTOR: Norman Taurog

One of the greatest comedy teams reached new entertainment heights in this beloved film that mixes Martin and Lewis' trademark hilarity with a heart-tugging story of friendship. Dean Martin stars as Bill Miller, a struggling, 1930s vaudeville singer whose small act could use a bigtime boost. Help arrives in the form of fall-down funny comic Ted Rogers (Jerry Lewis). Teamed together, Miller and Rogers climb to the top of the showbiz heap, but as their success grows, so does Miller's ego. When Miller suddenly fires Rogers, he figures he's bound for stardom; what he gets is a tough lesson in what it means to be a class act and the realization that his ex-partner wasn't just a 'stooge' – he was a star.

New to Blu-ray and part of the Hollywood Gold Collection.

WHO'S GOT THE ACTION?

Not only does this plan not work, but it also rouses the ire of Runyonesque gangster Tony Gagouts (Walter Matthau). In the cutest of the film's cute twist, Melanie saves herself and her husband by solving Gagout's financial and domestic problems. A minor but efficiently assembled star comedy, Who's Got the Action benefits from tasty production values and a knockout supporting cast, including Paul Ford, John McGiver, Nita Talbot, Ned Glass, and fabled pin-up girl June Wilkinson.
