## MAGIC MOMENTS OF MOTORSPORT: WANNEROO'S WESTERN CLASSICS

Wanneroo Park holds a special place in Western Australian motorsport history and on this release we take a look back at three classic rounds of the Australian Touring Car Championship held at the venue 'in the west'. The three rounds on this DVD release come from the Group A era of the championship featuring a wide range of manufacturers and models of car. The first is the 1986 'Motorcraft 100', Round 5. The second round on this release is the 1988 Wanneroo event, Round 4 of that year's championship. And to finish with, we've also got Round 8 of the 1992 ATCC from the last year of the Group A regulations in Australia. It's Nissan's GT-R up against the Sierras, BMWs and V8 Commodores with two heats of racing. This DVD is a must-have for your collection, celebrating a brilliant era of racing at one of Australia's long-serving venues.
